

NeoCon® Remembered

Sustainable, stylish shadecloth solutions

Thank you for stopping by the MechoShade Systems booth at NeoCon 2009.

Our EcoVeil® Naturals Shadecloth was recognized with two Best of NeoCon Silver awards:

- for a healthcare textile
- for a window treatment

The EcoVeil® Naturals Shadecloth—a fabrication with natural tones and textures and the newest addition to the EcoVeil® family—is Cradle to Cradle Certified^{CM}, GREENGUARD® Certified, and PVC-free.

And there are more new products:

- AcoustiVeil™ Shadecloth, a PVC-free dimout window covering with a low Noise Reduction Coefficient (NRC) of 0.575
- The Designer Collection, shadeclths featuring intricate textures, colors, and weaves such as jacquards
- WhisperShade™ IQ™ Intelligent Motor, the technologically advanced, powerful, whisper-quiet window-covering system
